# TABLE BOOKING FORM

SCOTLAND'S TOP POLITICAL BUSINESS EVENT

Thursday, November 24, 2022 / Prestonfield House, Edinburgh

**E**stablished by The Herald in 1999, the Scottish Politician of the Year Awards encourage the highest standards of political performance and bring together the most influential figures in business and politics in the drive to shape Scotland's future.

The awards have been running for 23 years and have become a firmly established political highlight of the year. They have become synonymous with promoting excellence in the Scottish Parliament and are attended by senior decision makers, opinion formers and elected representatives.

They are key in recognising the achievements of our politicians at local and national level in Scotland and those representing Scottish interests at Westminster.

With policy decisions on health, education and training, local government, social work, housing, planning, tourism, economic development, transport issues, law, home affairs, environment, agriculture, forestry and fishing, sport and the arts being made at Holyrood.

The awards scrutinise and evaluate the performance of MSPs on an annual basis and with further devolved powers for the Scottish Parliament this will take on added importance.

The dinner which attracts over 450 guests is a unique platform to network with the most influential figures of the Scottish business community.

Tickets to the Scottish Politician of the Year Awards ceremony and gala dinner include a champagne reception, three-course dinner with wine and coffee.
